## Horse Sponsorship Program

Our horses are at the very core of what we do here at Healing Hands. These equines are now doted on by children who themselves have been through many similar circumstances. The experiences of the horses give them the ability of reach out to kids in a unique way, making them what we call "equine counselors."

For the many equines who call this place home, Healing Hands offers a safe haven, a gentle hand and a life purpose. Our training and riding methods are based on the theories of natural horsemanship, which utilize quietness and patience to communicate with horses in their own language, focusing on developing a trust relationship with these magnificent creatures.

Please consider sponsoring one of our "equine counselors." By simply choosing a sponsorship level, you can furthermore ensure quality care to our equine counselors and a cost free opportunity to the children who call this their special place in the following ways:

- Countless hours with child and leader one-on-one
- Daily engagement both physically and mentally
- Lots of grooming, baths and carrots
- Daily hay and grain as needed
- Vitamins and supplements as needed
- Regular preventative vaccinations
- Professional Ferrier trimming and shoeing as needed
- Tack and equipment replacement and repair
